Principal’s Note:

Young Leaders: The Yr 6 Young Leaders excursion to Sydney last Sunday/Monday was an extremely worthwhile experience with Maddy and Georgia being exposed to a variety of interesting leadership speakers with some 5000 other year 6 students from across the state. We also managed a ferry ride to Darling Harbour, a visit to the Imax Thtre and lots of social interaction with other Monaro Year 6’s from 7 other schools. Maddy and Georgia were superb representatives of our school.

XC Run: Great effort to Emily, Georgia and Maddy who ran in yesterday’s district cross country running event at Nimmitabel PS.

Life Education Van: Today the Life Education Van visited Dalgety PS. Year 3-6 students participated in an interesting and informative lesson regarding cyber-safety and the Kinder-Year 2 students learnt about the human body and safety.

Toy Drive: Please help raise funds for the MS charity ride I am cycling in. It’s a great opportunity to clean out the cupboards for small usable toys/books that your children are no longer using. Dalgety PS will donate 50c-$1 per toy for the treasure box. Please bring to school by 4th April and leave at the office.

Bad hair day: The last day of term is Friday 12th April and students are going to have a mufti/bad hair day to help raise funds for the MS ride. If students could bring a gold coin donation that would be appreciated.

Video Conferences: We have booked 3 video conferences for the upcoming weeks Tues 2nd April, Mon 8th April and Monday 13th May. Two are aimed at the Year 3-6 students to learn more about the writing persuasive texts and the third is Echidnas & Aussie animals from Taronga Zoo (2 April) aimed at the K-Yr 4 students. Please try and ensure your child is at school on these dates so they don’t miss out on these great learning experiences.

Raffle Tickets: Thanks to everyone who has donated prizes or is selling raffle tickets for the MS raffle. The raffle has been extended to Friday 3rd May 2013. Please return tickets to Leah or to school by Wednesday 1st May 2013 (Day 1 Term 2). Thanks you for your support I really appreciate it.

Leave: I am on leave from Mon-8th-12th April as the MS bike ride starts on Saturday 6th April. Anja will replace me at school for the week.

Have a safe and happy Easter.
Marg Hayes

Assembly (Monday 18th March 2013)

Teamwork is Essential

Working as a team is very important because if you work as a team on projects you would probably come up with more ideas than you could come up with yourself.

In swimming and running relays everyone has a certain length to swim or run and it would be pretty hard to do all that yourself that’s why working as a team is so important.

Working as a team can make everything so much easier and quicker.

| 14-16th May | NAPLAN Yr 3 & Yr 5 Australian wide assessments |

Maddy in her Yr 6 Jacket.

Georgia will have her jacket at school next time!!!
Young leaders Day

On Sunday the 24th March 46 year 6 students from about 7 different Monaro schools travelled up to Sydney for a young leaders camp.

The trip up was around 6 hours. When we were approximately half an hour out of Sydney we had a phone call saying that the place where we were staying had had a fire. All the teachers tried really hard to get us some accommodation. Luckily we found some accommodation for the night.

To fill in the afternoon we all went on a ferry trip from Circular Quay to Darling Harbour. We also got see Sydney Opera house the Harbour Bridge and the entrance to Luna Park. On the Ferry we got to go underneath the Sydney Harbour Bridge. After dinner we went to the Imax theatre. The theatre was huge. We watched Jack the Giant Slayer in 3D. It was so cool.

The next day we walked down to the Entertainment Centre for the leader's conference.

There were heaps of year sixes for so many different school. There was about 5000 kids and over 1000 teachers and adults.

There were 5 different speakers including Mike Martin, Creel Price, Brett Lee, Jessica Fox and Nathan Hindmarsh.

Brett Lee talked about cyber bulling and being safe online. He told us we have to be a leader online and in the real world. Brett Lee also said that 0.1% of people are cyber bullies that's not to many but there are some people who do that and they are the people we have to look out for.

Brett Lee was a detective in the police force and taught police officers in Iraq. What he told us was very interesting about his job and what he did. All the other speakers told us there stories and how they were leader in their own stories.

Mike Martin told us influence was a very important part of leadership but if we listened to the wrong sort of influence it could be bad. He also told us about the story of Ann Frank who was a 13 year old girl in World War 2 who started writing a diary living in a tiny room in an attic hiding from the Nazis. He told us how Ann's story is great example of how someone can influence others.

All up I found the trip exciting, educational and heaps of fun.
